

News Letter

April & May 2019

A Form of Responsibility

Grade V Maitreya presented a program in the assembly on the importance of Organic Farming. It is an effort to create awareness to avoid chemical pesticides and fertilizers.

Not the whining school Boy

The young hands of J.K.G. are on an attempt to colour the images on the very first day of schooling.

Harmonizing the Body and Mind

J.K.G children, enjoy the moment of happiness by involving themselves in the balancing activity.

This activity helps them harmonize their body and mind.

Play – Children's Development

Children think, create, imagine, communicate, make choices, solve problems, take risks, develop physical skills and take on a variety of roles as they interact socially through playing. It is to nurture the social skills.

A Pleasing Group Work

S.K.G. students are decorating their classes. This act is being done to create an awareness in children that it is one's own responsibility to beautify the place.

Leisure, Recreation, and Appreciation of Nature

The young kids exercise Pattern Walk to develop body and eye coordination.

A Collage to strengthen the Mind

Students are busy preparing a collage. This activity is done to improve the brain and nervous system.

An Invitation to Reflect and Contemplate

Mrs. Lilly Vimala, Divya T and Gayathri attended a session in Coimbatore.

The session was of a great use.

The 1st day's contemplations:

- Discovering potential as a teacher.
- Skills that a teacher should develop.
- Framework of mind.

The 2nd day's reflections:

- How to conduct effective sessions.
- Behavior management, classroom norms.
- Collaborative & co-operative learning.
