# Leader In Me (LIM)

CVM introduced 'Leader In Me' (LIM) for grades I to IX. The students are facilitated to engage in self-discovery. These sessions help discover some of the leadership qualities in them and will lead to character development.

# Google Classroom

A session was conducted by Ms. E. Indhumathi, the H.O.D of the ICT department to equip the teachers to use the Google classroom effectively for assigning various works.

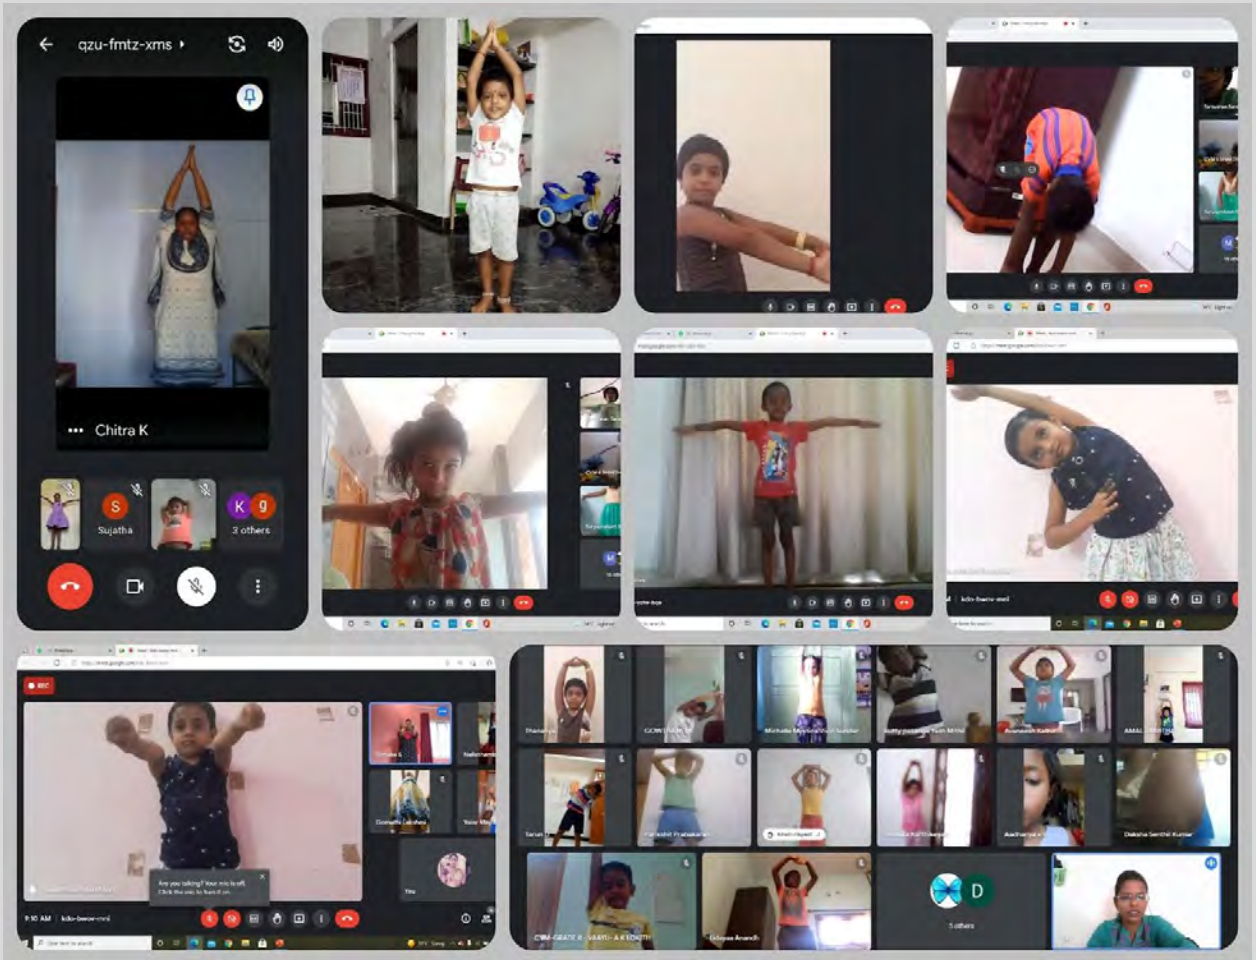

# Red Day

Students of K.G celebrated the "Red Day". They presented all that was red in colour. The significance of the colour was explored by the students.

# Wellness Wednesday

Wellness Wednesday is organized in CVM with a variety of exercises regularly planned by the Wellness Committee to ensure physical and mental wellbeing.

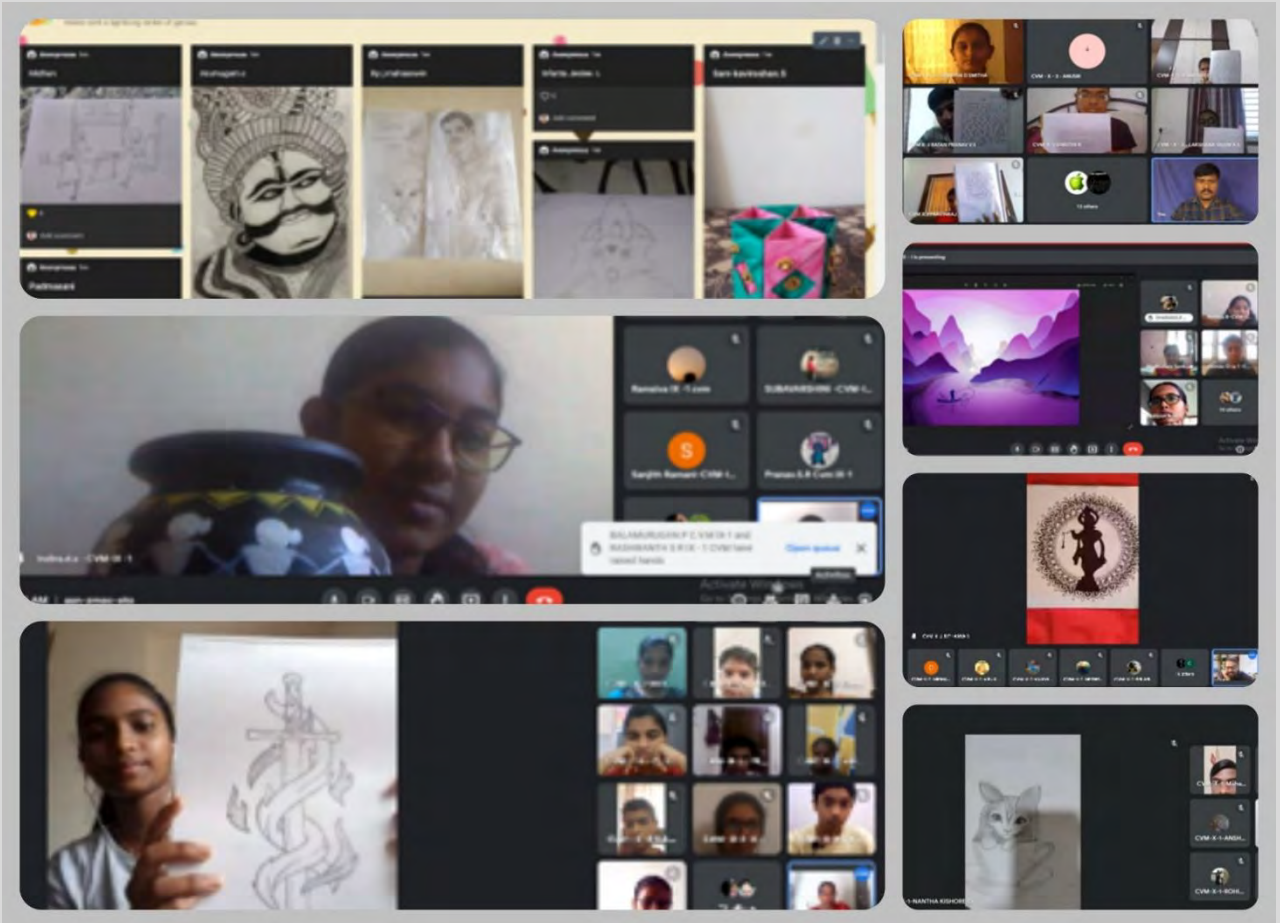

# Quality Circle Time

CVM conducts Quality Circle Time (QCT) for grades III to XII every Saturday. The class teacher conducts the session with well-framed questions for the students to make a deeper inward journey.

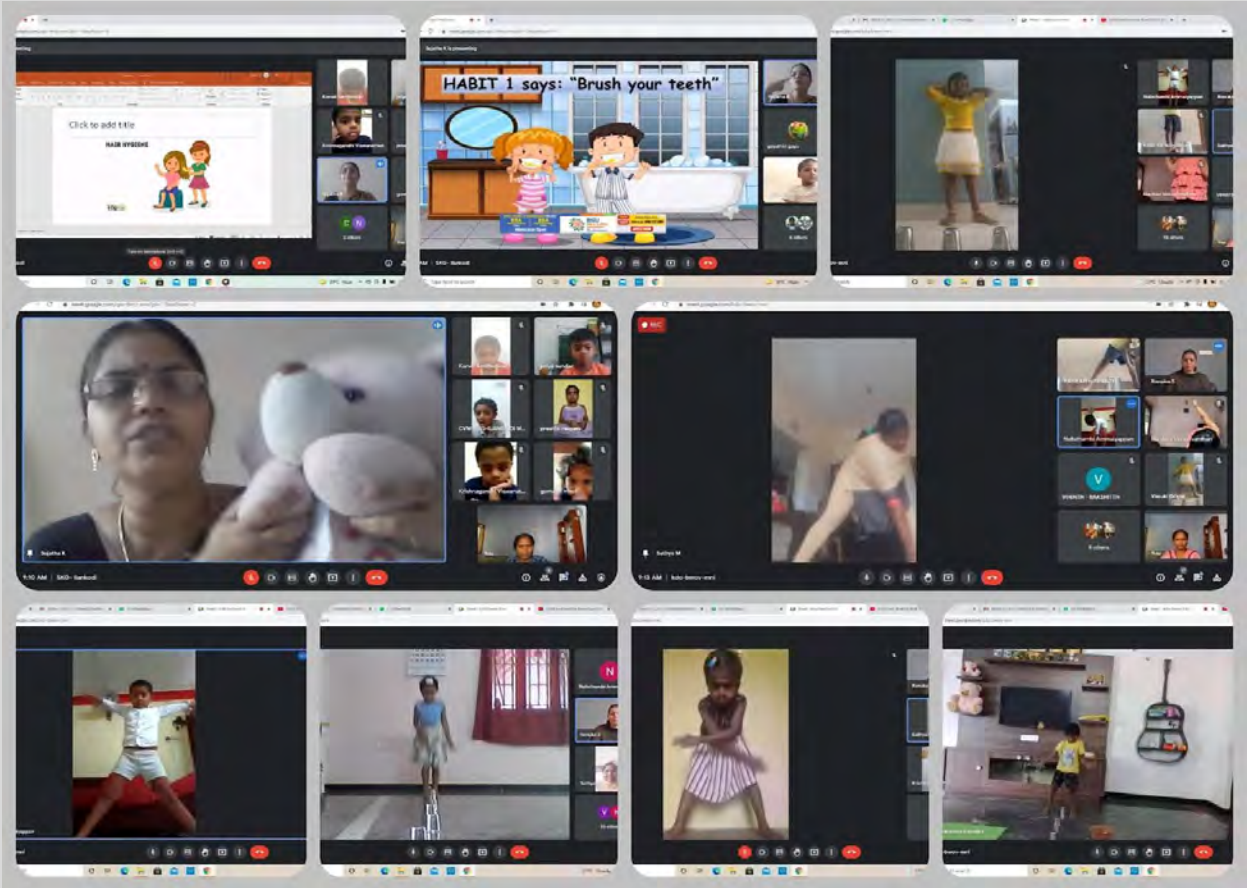

# Quality Circle Time

These sessions are aimed at nurturing their inter/intrapersonal relationship, understanding oneself, and bettering the self for the future.

# Visitor's Time

Students of K.G. interacted with teachers from the departments of Science and Fitness. "How do we care of our parts of body?" was a title for the interaction. Students came up with meaningful questions.

# Fitnik

Turning back to the "Good Old Custom" is a trend today. Modernity has diseased the people today. So, the teachers are using grindstones and curry stones for cooking and inhaling herbs to maintain an effective respiratory system. It was effectively organized by the Fitness Committee.

# Kalvi Valarchi Naal

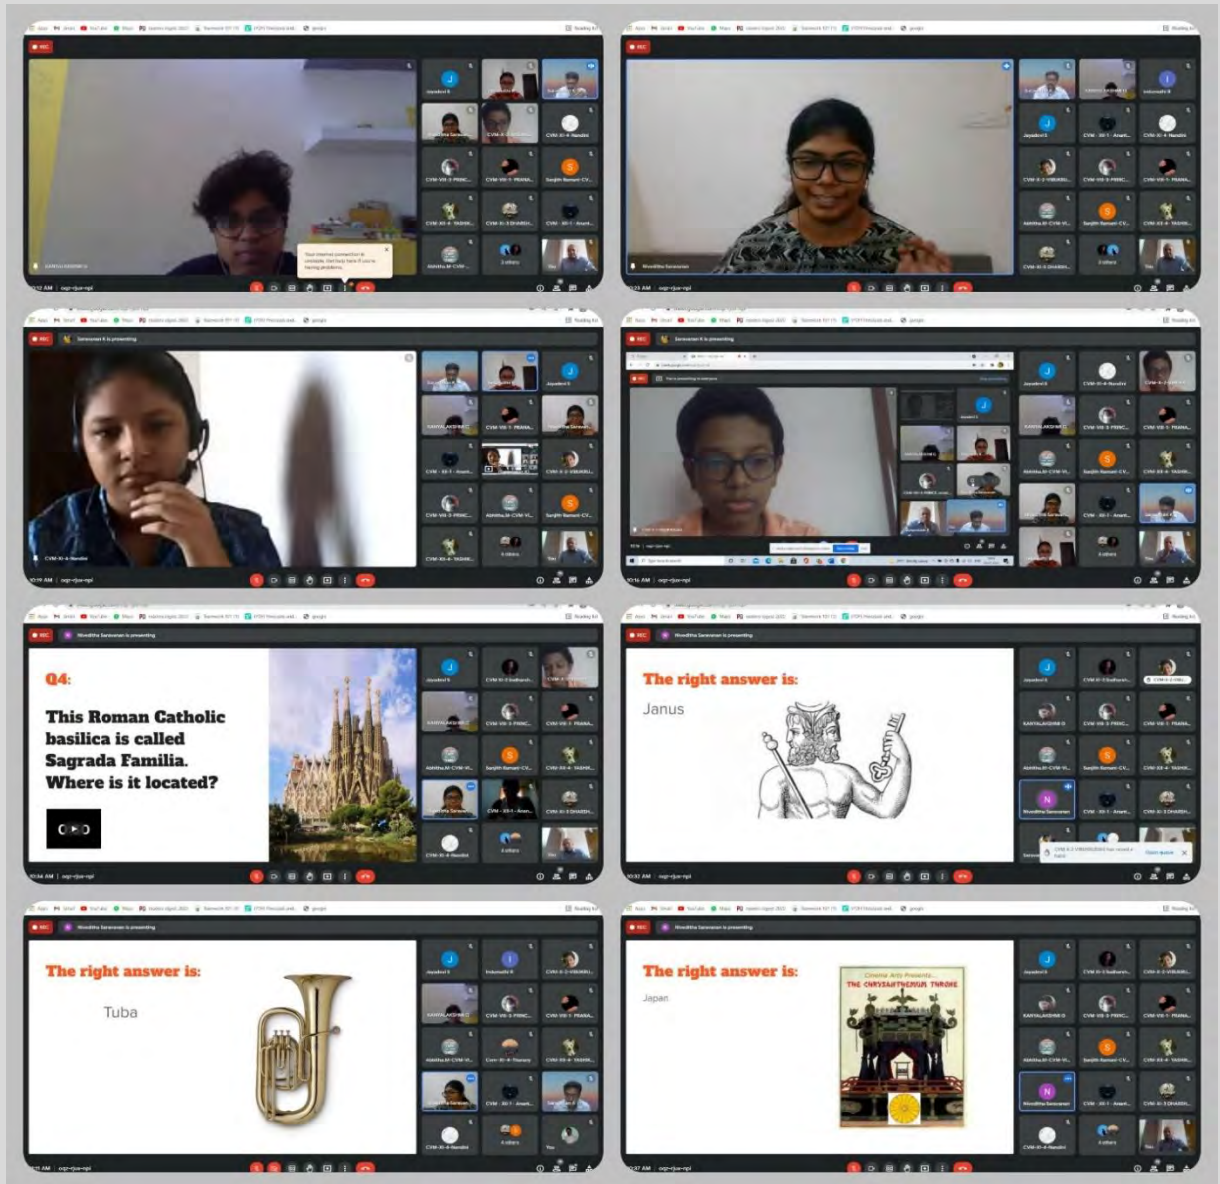

Kalvi Valarchi Naal was celebrated online on the 15<sup>th</sup> of July in CVM. Students watched an inspirational video of Helen Keller, a video of Karmaveerar Kamarajar, who served for poor **people's** education predominantly. A quiz on **"Evolution in Education"** was organized.

# Kalvi Valarchi Naal

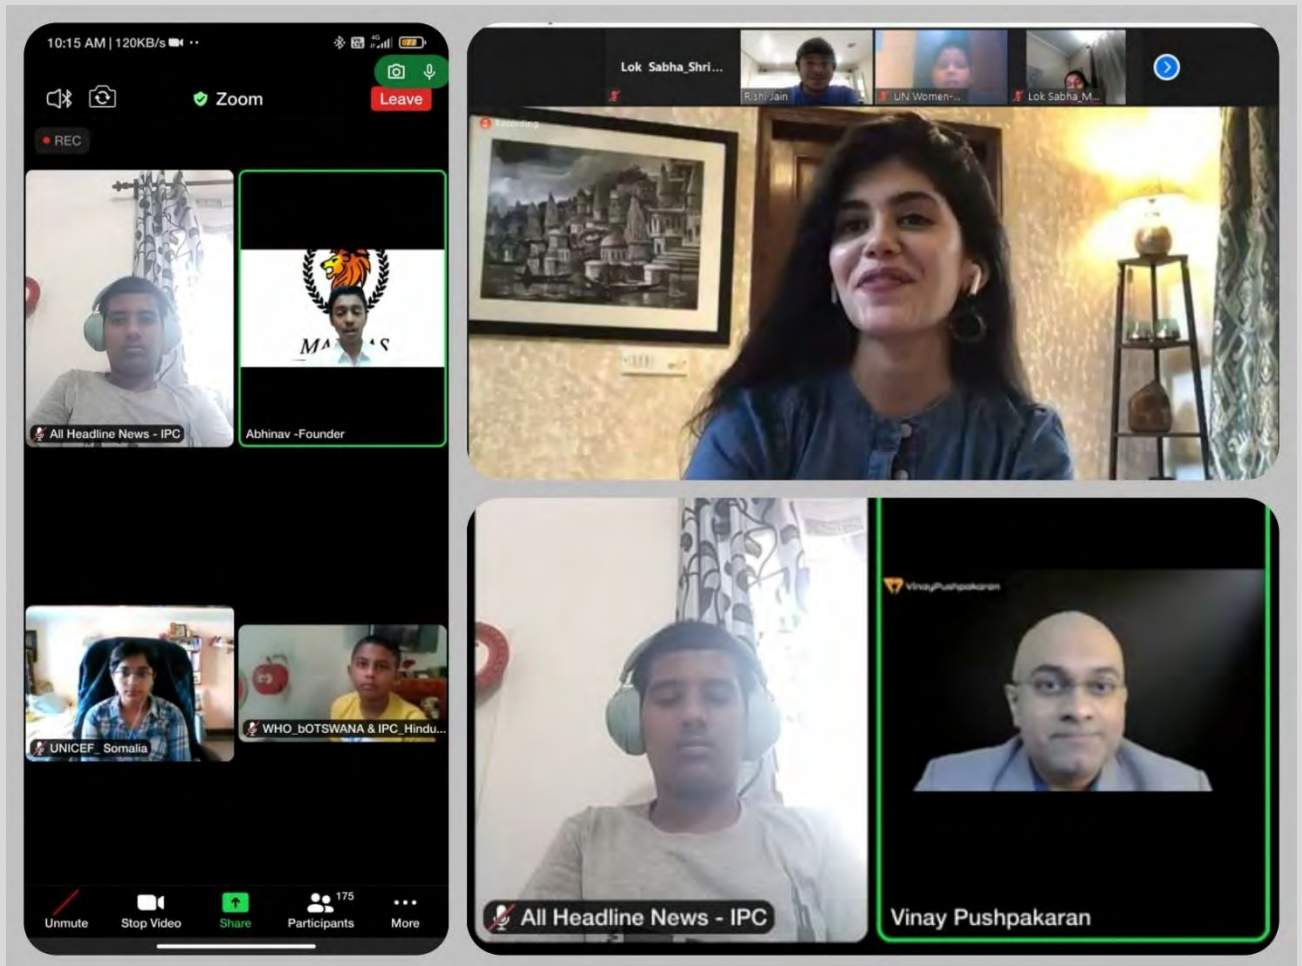

# Our Professional Alumni

An inter-house quiz competition was organized by the Events and Celebration Committee of CVM on the 7<sup>th</sup> of July 2021. Ms. Nivetha and Ms. Kanyalakshmi, the alumni of our school conducted the quiz with a professional touch.

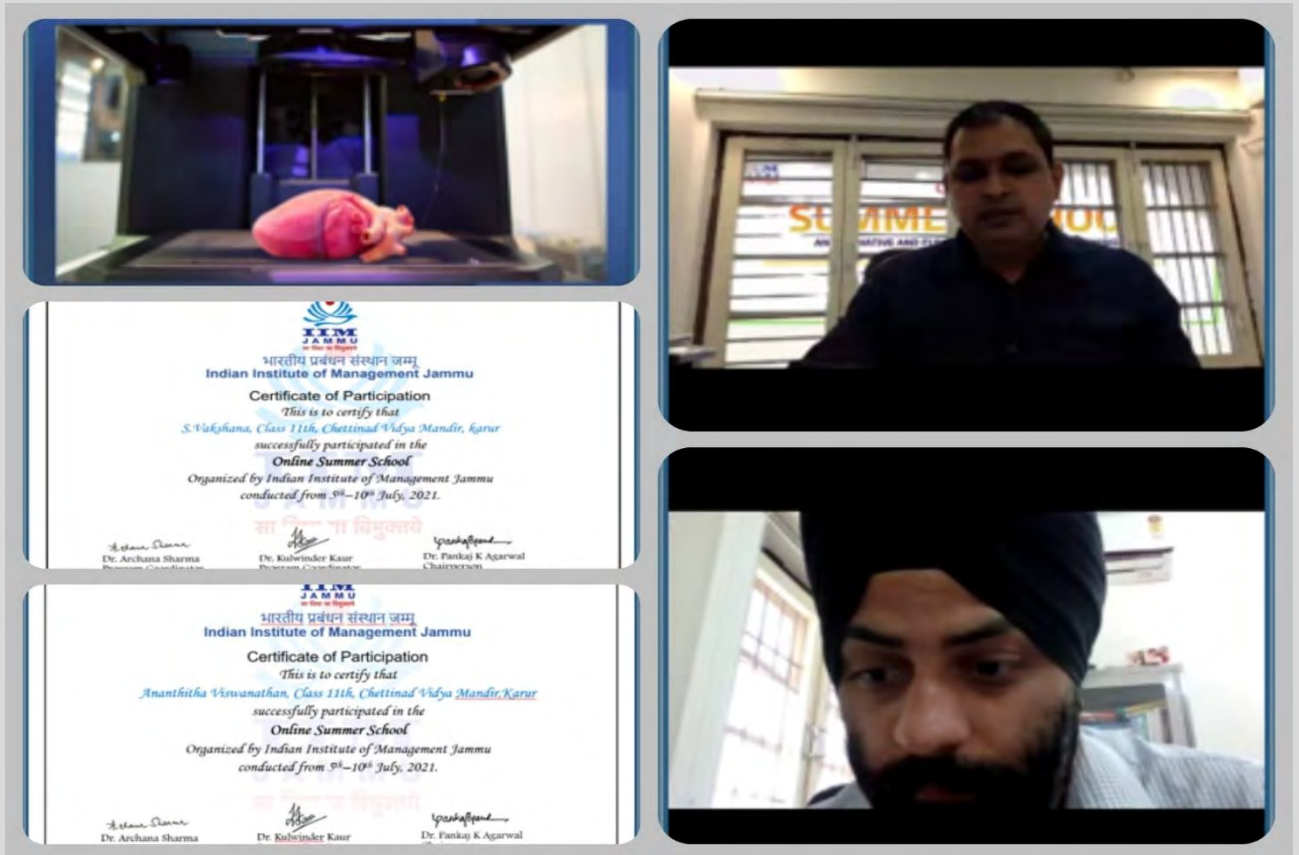

# Madras MUN

Students from CVM attended Madras MUN 2.0 on the 4<sup>th</sup> of July, 2021. Attending the different MUNs helped students develop different skills like problem-solving and communication skills.

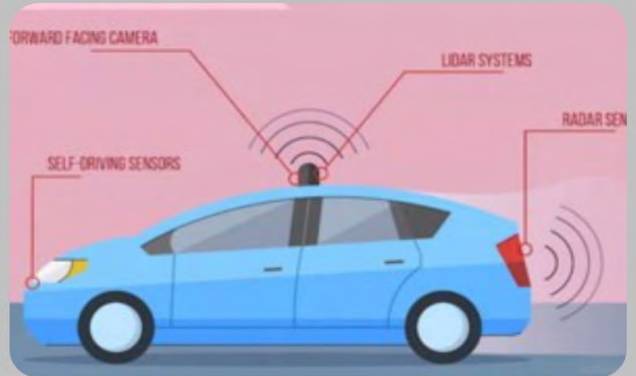

# IIM

The Indian Institute of Management (IIM) Jammu summer school organized a session from the 5<sup>th</sup> to the 8<sup>th</sup> of July 2021. CVM was an active participant consisting of a good number of students of grade XII. The sessions focused on management concepts, entrepreneurship, innovation, problem-solving, mindfulness, brainstorming, finance, banking, and communication.

# IIM

# Pencil Art

Pandemic has locked our students inside the houses. Students made their pencils busy. The artworks of our students for your view.

# Leadership

Leadership is an essential quality for everybody. A display of leaders and their qualities was showcased by Grade XI Champa and Padmal students in their class time. Students took up various roles as leaders and briefed on the qualities of the leaders. The activity in Padlet helped them explore different dimensions of leadership.

# The I.B.I.S Teacher Foundation

The I.B.I.S teachers Foundation, oriented parents and students of JEE/NEET. Parents and students enquired about the conduct of the course, testing methods and the specialities of the course.

# The Age of Liberal Arts

Mindler organized a webinar on 'The Age of Liberal Arts'. The resource persons were Mr Ankur Vohra, Ms Anju and Mr Abhishek. They talked about liberal arts courses and their objectives. This course helped students develop creative thinking, communication skills, logical skills and understanding of many other related courses.

# Career Guidance

A Career Guidance webinar in Fine Arts was organized by Prof. Anchia Anzi from the OP Jindal Global University and Ms. Vaishnavi Chandran from Mindler on the 30<sup>th</sup> of June 2021. Participation from CVM helped them know many careers and their importance in the current scenario.

# Education Overseas

Notebook conducted a webinar on 'Education Overseas' on the 14<sup>th</sup> of July 2021. Ms. S. Jayadevi, Ms. A. Sai Eswari, Ms. S. Meenakshi and Ms. K. Nivetha acharyas attended the session. The purpose behind studying abroad was clearly explained by Mr. Achin Battacharya, Ms. Meenakshi Narula and Ms. Meghna Laha. Sharing of personal experience added variety to the webinar.

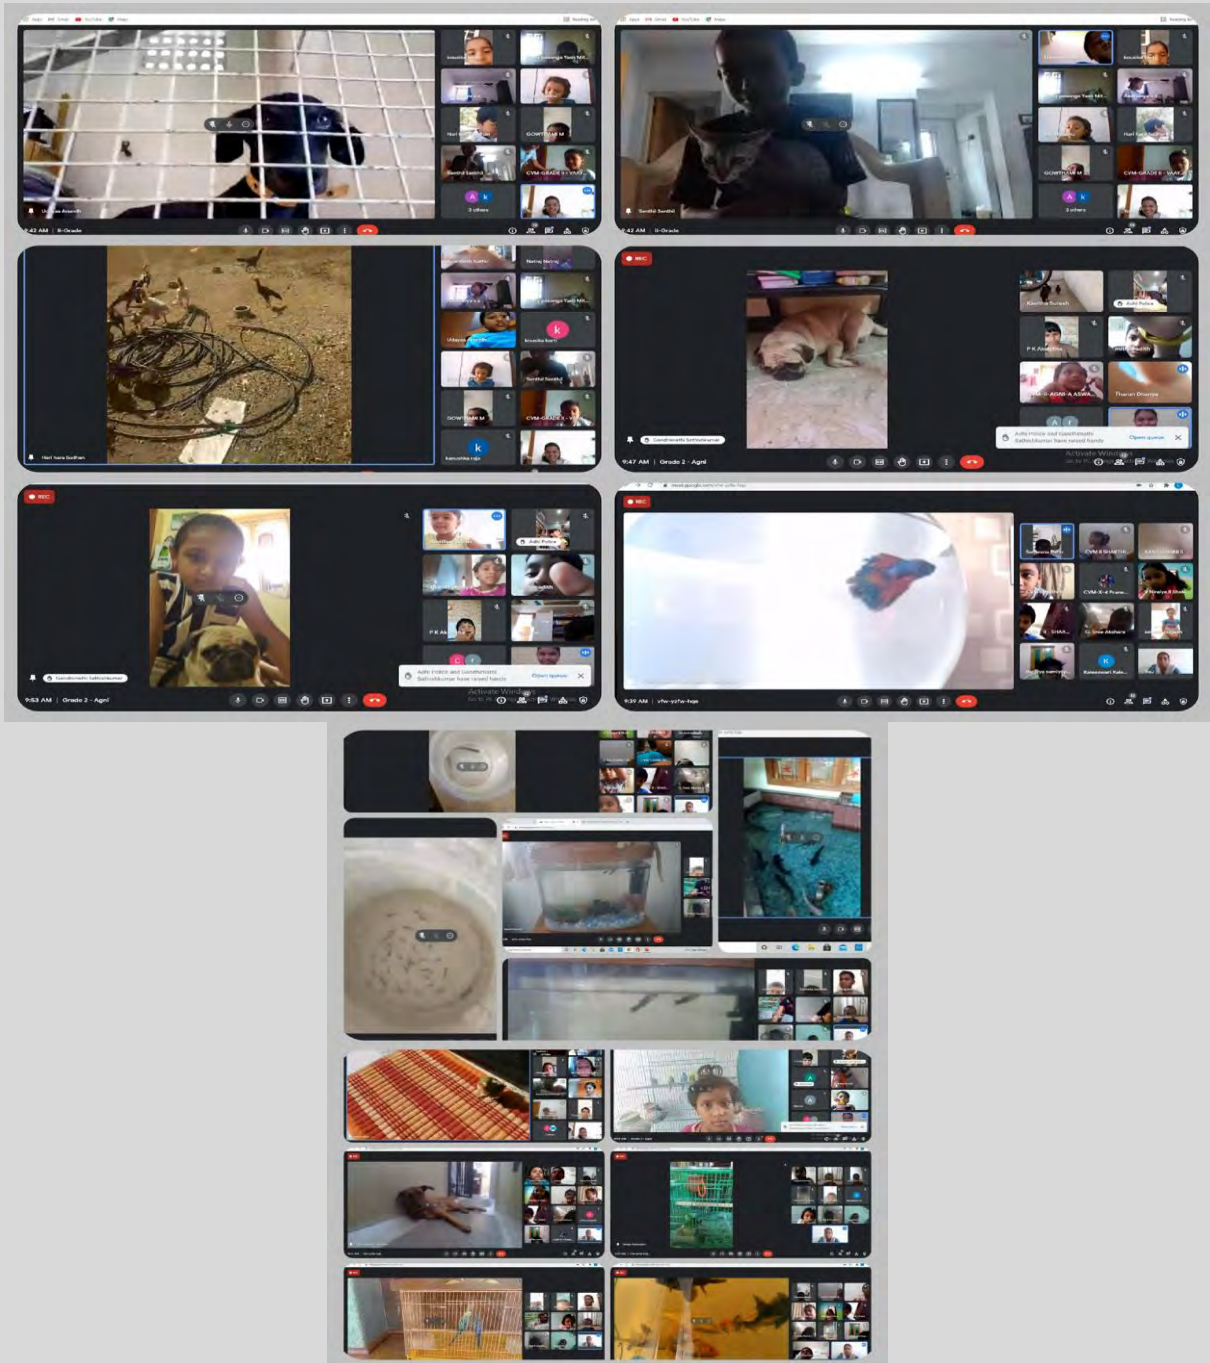

# Stories

Listening to stories boost the listening skill and fosters the imagination of the children. Grade I students listened to a story "Keechu Monkey can't sleep". The students performed the actions for the story.

# My Pet

Grade-II students introduced their pet animals online, spoke about the food habits and ways to take care of them.

# Model Making

Ornithology is a very interesting study. Students of grade-III explored model making on birds using clay and papers. This helped children understand the uniqueness of birds and how different features help birds to cope with their environment.

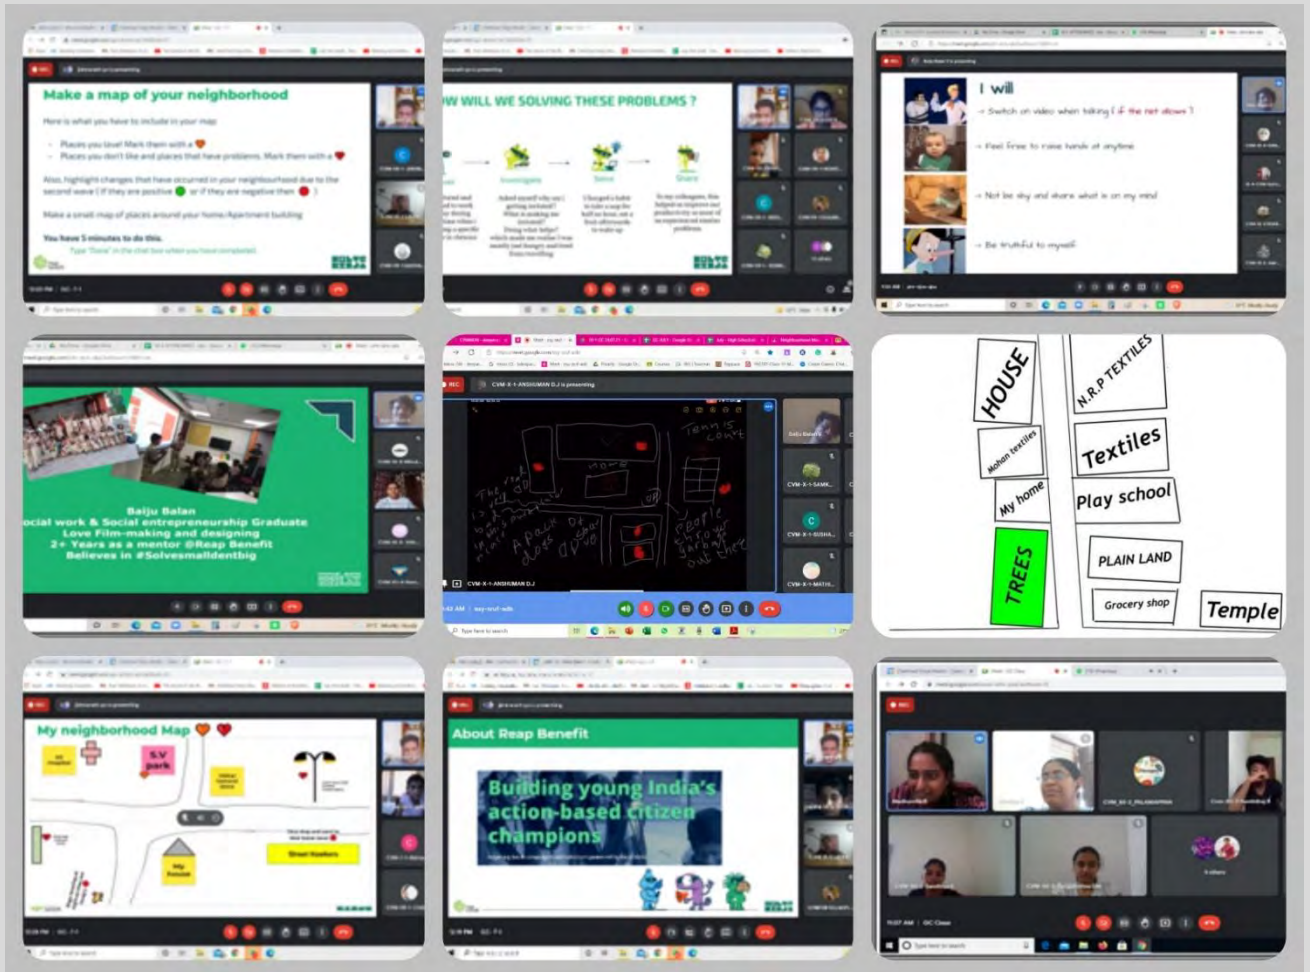

# Save Our Heritage

Grade-V students exhibited their creative thoughts as posters to save our heritage. This activity enabled students to have deep learning about our country's heritage and culture.

# Global Citizenship (GC)

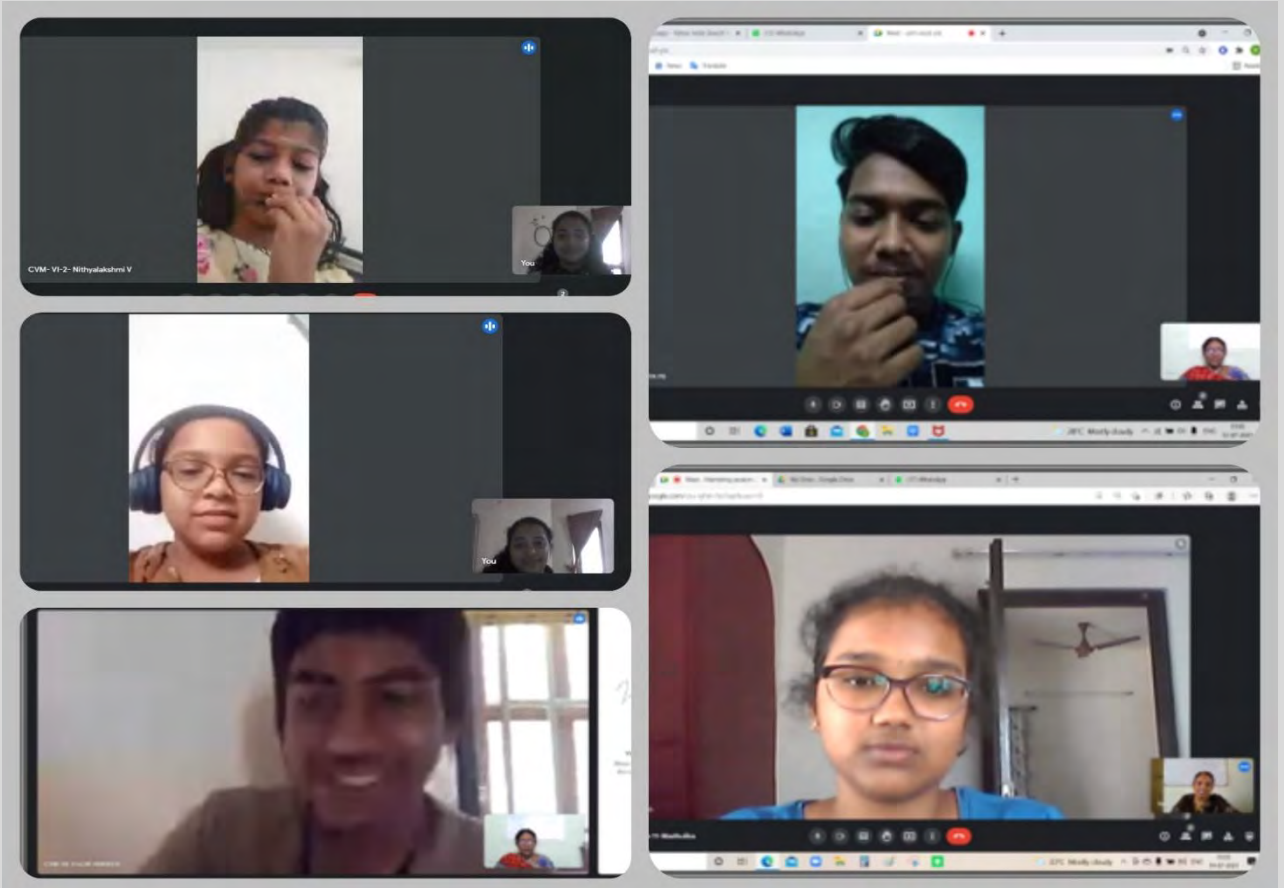

Students of grades VI to XII designed a map of their neighborhood and shared their favorite places. They also identified the problems in their surroundings, shared their concerns and suggested possible solutions.

# கருத்துப் பட்டறை

மாணவர்கள் குழுவாகப் பிரிந்தனர். பாடத்தில் தரப்பட்டுள்ள செய்திகளோடு இன்றைய சூழலில் உள்ள அறிவியல் முன்னேற்றங்கள் குறித்தும் கருத்துகளைப் பகிர்ந்து கொண்டனர்.

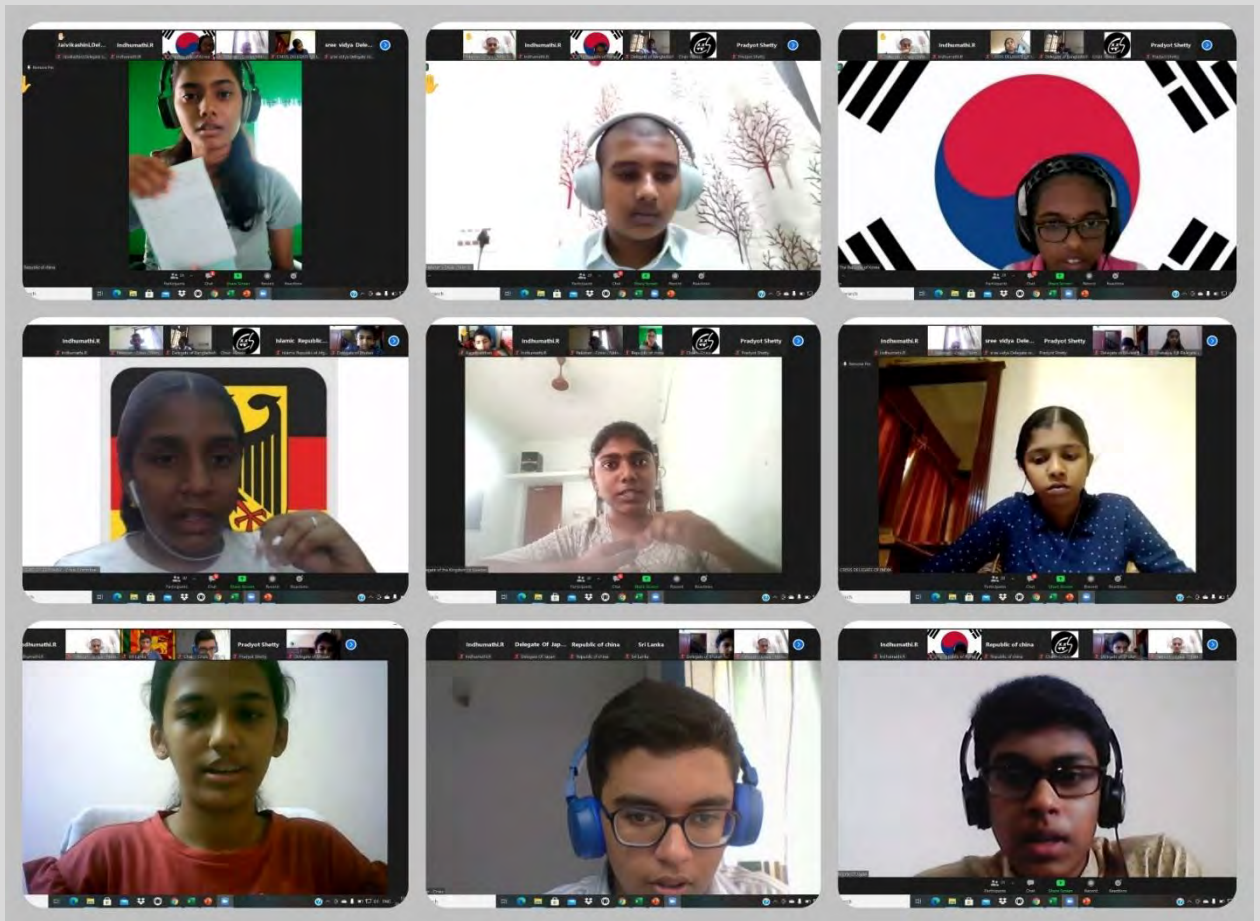

# Mentoring Session

CVM organizes 'Mentoring Sessions' for grades III to XII every Monday after the class hour. It is a one-to-one meet with a class teacher. The class teacher mentors their wards with interesting questions. Space is created for the students to voice out their concerns other than the academics.

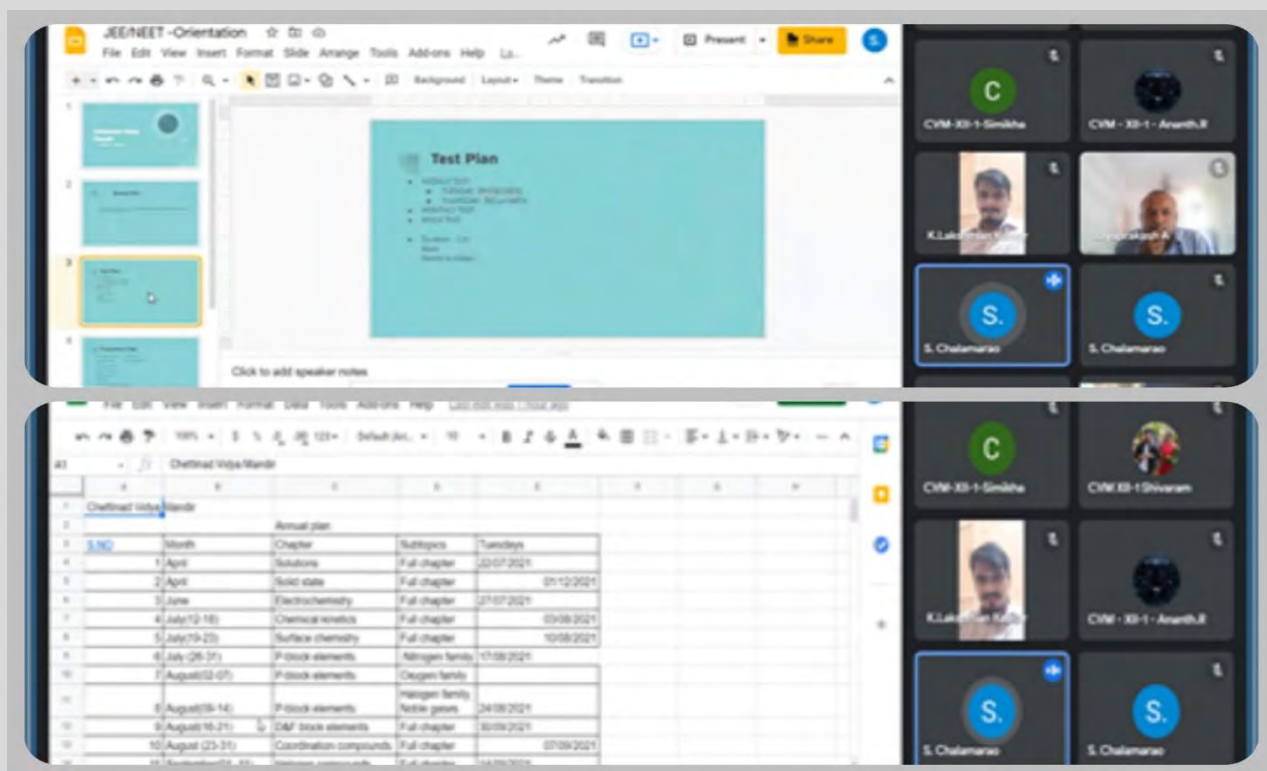

# Model United Nations (MUN)

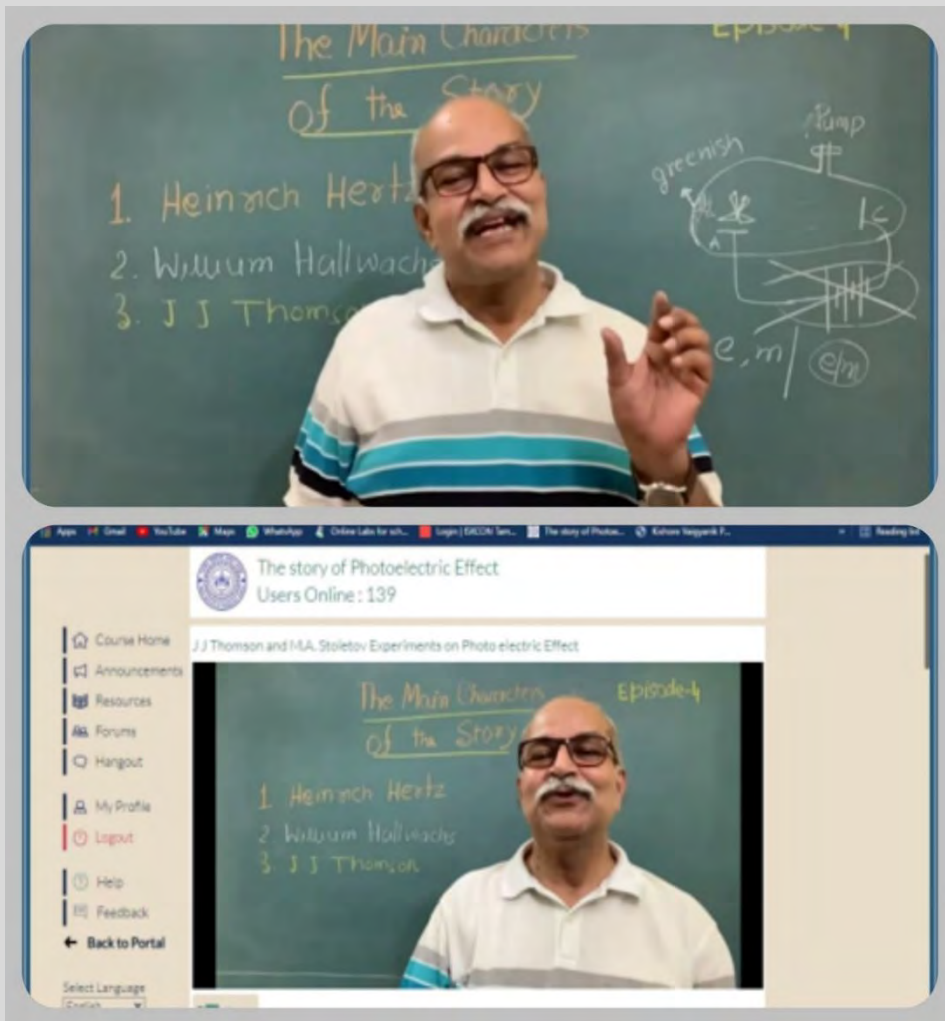

CVM organized an intra school MUN on the 31<sup>st</sup> of July 2021. It mainly focused on the first-hand experience of the students in MUN. This mock session helped the students to plan and organize the MUNs that are in line.

# An Orientation Programme

The staff of CVM conducted an orientation programme for Grades XI and XII JEE/NEET students to explain the Annual plan, Monthly plan, Test plan, Exam preparation tips, and Courses and Institutes for higher education.

# I.I.T Kanpur - A Webinar

I.I.T. Kanpur conducts a four-week course on "The story of Photoelectric effect". Videos of recorded lectures by Prof. H.C.Verma are posted on the website platform. The stories are awesome and it explains the dedication and contribution of various scientists who contributed to the study of the photoelectric effect. This course is initiated by the I.I.T as a remembrance of the centenary year of Sir. Einstein's Nobel Prize in Photoelectric effect.

## CORE VALUES

Career Guidance session for Law and Architecture was organized by Chettinad Law College and Chettinad School of Architecture to 20-21 batch students of CVM. The session was highly interactive and engaging. Students were presented with the scope of Architecture and Law.

# The Whole Teacher

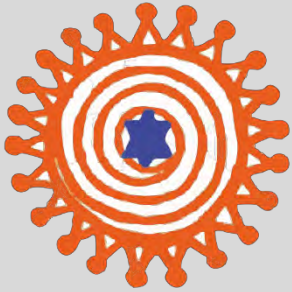

'The Whole Teacher' session was organized by 'Tree Organization' for teachers to help them analyze themselves and set promises to refresh themselves. This is to inspire their students very positively. The session was helpful.

# Easy Question Papers

The image displays three screenshots from a virtual session. The top screenshot shows a presentation slide titled 'Together - Chemistry' with a list of examination papers: Examination Papers Delhi 2020, Examination Papers 2020, Examination Papers 2022, Examination Papers 2023, Examination Papers All India 2017, Examination Papers Delhi 2017, Examination Papers Foreign 2017, Examination Papers 2020, and Examination Papers All India 2018. The middle screenshot shows a presentation slide titled 'How to create Question Papers ? (Test Generator)' with a diagram illustrating the process of creating question papers. The bottom screenshot shows a presentation slide titled 'Together with USP's' listing various features and benefits of the test generator, such as covering Term I and Term II syllabus, providing important terms, definitions, and formulas, and including a variety of objective questions including MCQs, True/False, Assertion/Reasoning questions, etc.

Ms. Anbuselvi and Ms. Indhumathi acharyas attended a virtual session on 'How to Create Question Papers Easily' by Rachna Sagar Publications. The session helped the teachers gain a lot of insight on how to set an easy and effective question paper.
